

# PREM AQUA FILTRATION

Type of Business: Water Filtration and Purification

Year of Establishment: 1999

Mission Statement: Our mission is to provide high-quality water filtration and purification systems to ensure clean and safe drinking water for everyone.

About Us: PREM AQUA FILTRATION is a renowned provider of water filtration and purification systems in the industry. We have been catering to the needs of our clients since 1999 and have built a reputation for delivering exceptional products and services.

Our team of experts comprises highly trained technicians, engineers, and support staff who have vast experience and knowledge in the field of water filtration. We use advanced technology, state-of-the-art equipment, and high-quality materials to manufacture and install our products.

Our Products and Services: We offer a comprehensive range of water filtration and purification systems, including:

- Reverse Osmosis (RO) systems
- Ultraviolet (UV) water disinfection
- Water Softeners
- Iron/Manganese Reduction Filters
- Sediment Filters
- Carbon Filters

We offer customized solutions based on our clients' specific requirements and provide maintenance, repair, and replacement services to ensure the longevity and optimal performance of our systems.

Our Core Values: At PREM AQUA FILTRATION, we believe in these core values:

1. Customer First: We prioritize our clients' needs and ensure their satisfaction.
2. Quality: We have an unwavering commitment to providing products and services of the highest quality.
3. Innovation: We constantly seek new and innovative ways to deliver superior products and services.
4. Integrity: We conduct our business with honesty, transparency, and ethical standards.

## PREM AQUA FILTRATION

5. Teamwork: We collaborate and work as a team to achieve common goals and strive for excellence.

Our Achievements: Over the years, we have achieved several milestones, including:

- Installation of hundreds of systems across various industries, including healthcare, hospitality, food and beverage, manufacturing, and more.
- Building a team of experts with more than 20 years of experience in the industry.
- Receiving positive feedback and high customer satisfaction ratings.
