

Wherever Water Is Applied  
We Are There

**PREM AQUA FILTERATION**  
(Purity with Perfection)

Established in the year 2000 at Delhi, We, **PREM AQUA FILTRATION** are one of the highly acclaimed names in the market engaged in the Manufacturer, Supplier and Exporter of Water Treatment Plants, Water Purifiers, Water Filtration Systems, RO Systems, UV Disinfection Systems for all applications, UV Lamps and Quartz Glass by the name of  We are manufactured using premium quality raw materials as per the prevalent industrial quality standards. Industrial guidelines of quality. These plants are manufactured in adherence to industrial quality standards by using raw materials of unmatched quality. These plants are renowned for their ease of installation and maintenance. These plants facilitate easy and convenient installation and maintenance. These are acclaimed for their efficiency and long service life.

Our ultra-modern infrastructure facility boasts of the best equipment's and machines required for the fast and efficient production of premium quality products. The incorporation of advanced technology into our products has helped us stay ahead of other competitor firms. Our products are stringently inspected on their quality parameters to ensure the complete satisfaction of the clients. Professional quality analysts inspect the quality of these systems and plants to ensure that they function at their optimum capacity. Our workforce is divided into various teams of specialized operations in order to streamline the work flow. These plants are renowned for their economical prices and excellent quality. Their negligible maintenance needs make them a highly preferable product for the clients. The demand for these water treatment plants is high in residential, commercial and industrial sectors.

Under the guidance of **Mr. GULSHAN BHALLA**, we have garnered a loyal client base. We have consistently offered products of premium quality to the residential, commercial and industrial sectors. This has helped us establish our credibility in the market.

The customer satisfaction is given the utmost priority at all levels and therefore all the specifications mentioned by the customers are incorporated in the products. Also, we cater the needs of the customers with great efficiency and perfection and that too by keeping in focus their convenience. Furthermore, the timely delivery of the products is also paid special attention that has enabled us to establish good relation with big industrialist.

### Model No: CONCEPT-5L (250 L.P.H)

Warranty: 1yrs

#### Product Features :

- Quartz Technology
- Life of the Lamp is 8000 hrs.
- Lamp Failure Indication
- Easy maintenance no need to disconnect water supply to change the LAMP.
- U.V.Reactor is S.S. 304

#### Description:

We are one of the major Manufacturers and Suppliers of 250 L.P.H UV Systems in New Delhi (India). The range of 250 L.P.H UV Systems offered by us is one of the widely demanded UV Systems owing to its unsurpassed quality and excellent performance. The highly reliable 250 L.P.H UV Systems are manufactured using the top grade stainless steel and the latest techniques.

### Model No: Arena-5L (250 L.P.H)

Warranty : 1 Yrs

#### Product Features :

- Quartz Tecnology
- Life of the Lamp is 8000 hrs.
- Attached Panel
- Lamp Failure Indication
- Easy Maintenance

#### Description:

We are one of the major Manufacturers and Suppliers of 250 L.P.H UV Systems in New Delhi (India). The range of 250 L.P.H UV Systems offered by us is one of the widely demanded UV Systems owing to its unsurpassed quality and excellent performance. The highly reliable 250 L.P.H UV Systems are manufactured using the top grade stainless steel and the latest techniques.

### Model No: CONCEPT-8L (500 L.P.H)

Warranty : 1yrs

#### Product Features :

- Quartz Technology
- Life of the Lamp is 8000 hrs.
- Easy maintenance no needs to disconnect water flow to change U.V. lamp.
- Lamp Failure Indication
- U.V.Reactor is S.S. 304

#### Description:

We are one of the major Manufacturers and Suppliers of 500 L.P.H UV Systems in New Delhi (India). The range of 500 L.P.H UV Systems offered by us is one of the widely demanded UV Systems owing to its unsurpassed quality and excellent performance. The highly reliable 500 L.P.H UV Systems are manufactured using the top grade stainless steel and the latest techniques.

### Model No: **CONCEPT-10L (600 L.P.H)**

Warranty: 1yrs

#### Product Features :

- U.V.Reactor is S.S. 304
- Life of the Lamp is 8000 hrs.
- Lamp Failure Indication
- Totalizer
- Attached Panel

#### Description:

We are one of the major Manufacturers and Suppliers of 600 L.P.H UV Systems in New Delhi (India). The range of 600 L.P.H UV Systems offered by us is one of the widely demanded UV Systems owing to its unsurpassed quality and excellent performance. The highly reliable 600 L.P.H UV Systems are manufactured using the top grade stainless steel and the latest techniques.

### Model No: **CONCEPT-15L Eco (1000 L.P.H)**

Warranty : 1 Year

#### Product Features :

- U.V.Reactor is S.S. 304
- Life of the Lamp is 8000 hrs.
- Lamp Failure Indication
- Wall Mounted

#### Description:

We are one of the major Manufacturers and Suppliers of 1000 L.P.H ECO UV Systems in New Delhi (India). The range of 1000 L.P.H ECO UV Systems offered by us is one of the widely demanded UV Systems owing to its unsurpassed quality and excellent performance. The highly reliable 1000 L.P.H ECO UV Systems are manufactured using the top grade stainless steel and the latest techniques.

### Model No: **CONCEPT-15L (1000 L.P.H Std)**

Warranty: 1yrs

#### Product Features :

- U.V.Reactor is S.S. 304
- Life of the Lamp is 8000 hrs.
- Lamp Failure Indication
- Totalizer
- Attached Panel
